Dear model airplane pilots,

We would like to invite you to our 4th edition of the WVLAC Fly-in at Moorsele Airport, which will take place during the weekend of August 31 and September 1, 2019. The feedback from the previous editions has helped us well and provide the right motivation to make it a great edition again! On our website www.wvlac.be you can find some extra info about our flying club, and via the website flyin.wvlac.be or our facebook page <https://www.facebook.com/WVLAC/> you can find specific information about this Fly -in.

For the campsite we provide free electricity for those who request it in time and in advance. The campsite is available from Friday for those who wish to be present early. Tap water is also available through the taps that are installed at the rear of the clubhouse. The airfield is available for flights on both Saturday and Sunday! The formula is according to the Fly-in principle. Pilots agree among themselves, or form a queue to plan their turn. On Saturday evening from 19:00 we provide an extensive BBQ for those who register in advance for this. You can register up to and including Saturday 25 August at 6:00 pm. The BBQ provides 4 pieces of meat, a wide selection of vegetables, sauces and a generous portion of fries! And this for the democratic price of 15 Euro / Person. For children under 12 years of age this is 10 Euro (year of birth 2007 and later). Registration in advance is necessary, and is only possible upon transfer to the following number: BE67 7310 4288 5287 in the name of WVLAC vzw, stating Flyin WVLAC + number of people + number of kids + contact person.
